
The Three Great Purifiers

The Great Blood Purifier

Prescription
C-2223

Recommended for the Treatment of Eruptive Skin Diseases, Chronic Catarrh, Rheumatism, Gout, Lumbago and All Conditions Caused by Impure Blood

Two of the greatest purifiers in the world are sun and water, and on both depends life,

As a purifier of the blood, no preparation stands higher than Plough's Prescription C-2223. For years and years this liquid prescription was used by a successful physician in his private practice. He found that this particular formula gave the best results to those of his patients who were suffering from some constitutional blood disease. In time this doctor made quite a reputation both for himself and the prescription which he used; today a large number of bottles are required by druggists to supply the demands of those in need of this meritorious preparation.

In the treatment of Chronic Rheumatism, Catarrh, Scrofula and other similar diseases of the blood, Plough's Prescription C-2223 has given relief to thousands. Despairing, helpless sufferers have secured benefit from this liquid prescription where all other advice and treatment had failed.

If you are suffering from a condition caused by bad blood, or you fear that the poisons and accumulations have never been entirely eliminated from your blood, you should begin now and take the Plough's Prescription C-2223 Treatment. This liquid preparation contains no Morphine, Cocaine, Strychnia, Chloral or Mercury; on the other hand, it is composed of certain medicinal ingredients, all of which are well known to medical authorities as being very effective in the treatment of Rheumatic and Blood Troubles. The very best materials and the greatest care are exercised in the preparation of this splendid treatment, so that you can be sure that if you follow the directions given as to its use, you will be greatly benefited if not permanently relieved.

In the treatment of Chronic Rheumatism, Catarrh, Lumbago, Gout and Sciatica and any condition due to bad blood, it is important that the liver be active. To stimulate the liver, relieve constipation and keep the bowels in a healthy condition, Plough's C-2223 Liver Pills are especially recommended. They do not

nauseate and can be used by those who cannot stand a dose of calomel or other drastic purgatives.

Plough's Prescription C-2223 can be supplied you ready prepared by druggists at \$1.50 a bottle; the Pills at 25c, or if you are unable to get the treatment from your home dealer, send \$1.75 to the 2223 Laboratory, Memphis, and the package will be mailed you postpaid. You can get a free sample of the Pills and literature by writing.

one of God's messengers. At 11 o'clock he is an able speaker filled with the spirit. At 1 o'clock the pastor, Rev. J. K. Parker, preached the funeral of one of the members of the church. The Sunday school was well attended. Rev. R. H. Cole, president of the Antioch Sunday School Convention, was present and made an address to which all were well pleased. We

were also blessed with an address by Miss Santrose, a real African missionary who was educated at the school of Miss Nannie H. Burroughs, who is now preparing to sail to her native land. Our prayers shall follow her for success. The N. Y. P. U. with its president and officers, met with the church body and a very beautiful service was discussed, subject, "Co-operation in Christian Work." The choir filled the stand at 8:30 decked in their robes of white for their first appearance. The pastor has served notice on all members and followers who want to get the benefit of the sweet music and the best results of the sermon, must be present at 11 o'clock sharp. He is on time and don't forget to leave your donation for the Thanksgiving dinner. Sunday, Nov. 23d will be observed by all members as a day of Thanksgiving to God. A special sermon will be preached by the pastor, Rev. J. K. Parker, E. D. Headford, reporter.

Janesson Chapel Sunday at 11 a. m. and 8 p. m. Sunday school at 1 p. m. Prayer and class meetings Friday evening at 7:30. Official meeting every Monday evening. Come and bring some one with you. Visitors are kindly invited. J. D. Crisp, pastor; C. Ellison, clerk.

BIG HOLIDAY ATTRACTION

4 Acts Supreme 4 Vaudeville 4 Thanksgiving Day Matinee A Riot Of Fun, Frolics and Novelty

A CREDITABLE SHOW WITH ARTISTIC VARIETY AT THE BOOKER

WASHINGTON THEATRE. Four acts of different variety are filling a program of creditable merit at the Booker Washington Theatre this week. The offering is free from the suggestions that made last week's bill distasteful to the majority of the patrons. There is plenty of good entertainment without resorting to the cheap physics of stunt people.

The first show is a two-act play and a woman a combination of dancers, open the show. The first act consists of fifty acts, each accompanied by dance numbers. The female member, as a book for a riot of real humor. Their closing song "Room 202" is full of comedy and good fun.

Three and a half minutes a night team are now in the program. They play the trombone, saxophone and piano in different combinations of a very pleasing nature.

The woman in the character of a new play is a local and shows herself to be a good actress. They have plenty of comedy, new material and a play with a certain call in the finale, playing the blues.

Andrew Trumble, the well-known impersonator in the comedy sensation of the show. He appears as a bride to be with a bunch of colors for a bouquet on the stage of the spotlight. Trumble takes a couple of lightning changes, since James and takes in rapid succession and takes the house by storm at the end of "Minnie Shimmie" for Mr. Smith.

Smith and Trumble mixed comedy and music in the last act, singing with several songs by the man. A few lines of witty sarcasm, the woman says the hearts of her listeners with an excellent rendition of the touching sentimental song "If I We Meet Again." The man follows with a string of accurately described persons in the audience, sang to the tune of "Havocation Blues." It is original and outworn and makes a bit of a conversational song finale, by the woman, closes a first-rate bill in an outburst of appreciative applause.

NEXT WEEK. A big special holiday bill of feature attractions is being booked for next week at the Booker Washington. The bill is not complete when the Argus went to press. There will be a matinee on Thanksgiving Day.

MUSICIANS WANTED. For Jazz band. Piano player, Cornet, Trombone and other instruments. Must be real musicians, able to read, fake, jazz and create at sight.

See Tom Turpin, agent, at 3 p. m. at the Booker Washington Theatre, any night after 7:30.

Brother's Raza Band is the headliner at the Columbia Theatre this week. These talented players were formerly St. Louisians and in chief Frank Robinson, who gave a number of entertainments while visiting here during the past summer.

"THE GAMBLERS" AT THE JEST-A-MERE, SUNDAY. Harry T. Morey in "The Gamblers" will be the big feature at the Jest-A-Mere Theatre on Sunday and Monday. It is a splendid portrayal of the doing of the members of the high road for a string of weeks. Tells a story of millions in self sacrifice and is told in a high pitch.

"The Virtuous Model." Another big feature at the Jest-A-Mere will be "The Virtuous Model" on Thanksgiving Day, Thursday and Friday. A tale of the life of a Puritan life and the temptations and pleasures. It has six acts of action and every act carries the high road for a string of weeks down to the half world. There will be a matinee on Thanksgiving.

"RULING PASSIONS" AT THE STAR, SUNDAY. Ruling Passions will be the feature attraction at the Star, Sunday. The story is about a wealthy boy who, through love and distrust of the world, acquires a great fortune. A man who has been neglected has stolen his privileged life, but the nurse, who is engaged for the bride by his physician learns of his trouble, and sets about to bring him back to health and happiness. In the end Love and Money triumph over Hate and Revenge.

"Plough's Black and White Toilet Preparations Always Please."

YOUR HAIR CAN BE MADE

Long, Soft, Glossy, Easy to Brush and Comb, and Dress to Become Your Style of Beauty.

Women and men—women especially—are more and more realizing how much beautiful, soft, glossy, long hair adds to their attractiveness and popularity. You know you often forget a name but not the face of a pretty woman—one who has beautiful, soft, wavy hair.

To Make Your Hair

long, soft, wavy and glossy, you must use a dressing that will destroy all dandruff, keep the scalp clean and free from disease and dirt. The ideal hair dressing must contain those ingredients that go directly to the roots of the hair and invigorates its growth. And naturally one prefers the use of a dressing that is pure white and delicately perfumed.

A White Hair Dressing

Black and White Hair Dressing is a white preparation of the highest quality. The oils and other ingredients used are recognized by beauty specialists everywhere as having merit for promoting the growth of the hair. Black and White Hair Dressing is delicately and delightfully perfumed—it has an odor that is distinctive. This new white hair dressing is the best that has ever been offered the public for the money.

How to Make Your Hair Long, Soft, Glossy and Wavy

Black and White Hair Dressing should be applied both night and morning, the length of time dependent upon the condition of your hair and scalp. The hair and scalp should first be thoroughly cleansed. [There is no better shampoo than Black and White Soap.] Dry the hair well, then gently massage little bits of Black and White Hair Dressing into the scalp. Do this night and morning for one week; then shampoo the hair again. You will find your scalp will be free from dandruff; your stiff, wiry, curly hair becoming longer, softer and easier to brush and comb.

How to Make Your Own Shampoo.

Black and White Soap, as sold in cake form, is about the best cleansing agent that you can use, but some prefer a liquid soap for shampoo. Do this—thinly shave about one-quarter of a cake of Black and White Soap and place in a pint of boiling water. It is ready for use as soon as it cools.

If your druggist cannot supply you with Plough's Black and White Hair Dressing and Black and White Soap, send 50c to us and both will be mailed postpaid, or, four packages of Black and White Hair Dressing and one bar of Black and White Soap [a \$1.25 order] will be sent postpaid on receipt of \$1.00.

This mark on toilet preparations guarantees highest quality.

You Can Make Good Money Easy

If you have just a little time to spare each day, you can make big money supplying your friends and neighbors with this new Black and White Hair Dressing. Write Plough Chemical Co., Dept. N., for full particulars.

FREE—A Birthday and Dream Book

Do you believe in dreams or the signs of the stars? If you do, this book will tell you their meaning. The price of the Birthday and Dream Book is 25c, but if you will send us the names of 5 of your friends who would be interested in Black and White Hair Dressing and Black and White Soap, a copy will be mailed you free.

A. U. K. & D. OF A. LAUNCH MILITARY DEPARTMENT

Fast Growing Organization Has Already Perfected Uniform Rank With Unit

Capt. J. A. Shackelford Made Major General Of The U. S.

St. Louis Already Honored With A Champion Drill Team

The Ancient United Knights and Daughters of Africa, a distinctly all Negro organization with its National Headquarters in St. Louis, has started the fraternal world by launching at its last National Grand Session a Military Department which includes both sexes.

National Grand Master, Wm. Herbert Fields who is rated as Commander in chief, says that military training for women has heretofore been overlooked and in many cases scoffed at, and that all the training has been allotted to the male sex, but the lesson of the late world war has proved beyond question that military training for women is a most important adjunct. Grand Master Fields pointed out that when the country poured its men into foreign soil to stop the onward rush of the desperate Hun, women in countless instances took up the domestic duties of men, and without any advance preparation, made good. The innovation of this department is uniform rank for both women and men, again sets forth the fact that A. U. K. & D. of A. stands alone in furnishing to fraternal circles the most brainy men and women who have the nerve to dare and do.

This organization is different from many others as there can be no special taxation, all that is required of a member, is to pay their dues which is only 50 cents per month and the same pays Burial and Grand Tax. Claims are paid promptly by check issued by the National Secretary-Treasurer to the beneficiary whose name must be on the certificate of membership which is issued to every member in good standing. The order taken over the State of Indiana last April and in that State it has been making rapid strides. Connecticut, under the supervision of Mrs. Margaret J. Green of Hartford is progressing most wonderfully. California in charge of Mrs. Hattie S. Baldwin, is placing councils and juveniles in every little hamlet. Kansas in charge of Mrs. Rosa Jackson of Topeka, bids fair to equal Missouri and Illinois in the near future.

Mrs. Ada Harris is the State Grand Queen of Missouri, Mrs. Ella C. Holmes State Grand Queen of Illinois, both of these ladies have their states well organized. Southeast Missouri and Southern Illinois especially. Chicago alone has over 2000 members and St. Louis about the same. The great success of this order in twelve years is attributed to the written laws in the Constitution, have reciprocity, help build up business among the race and to patronize Race Industry even it costs a few pennies more in order to make places for our boys and girls in the business world that are coming out of the War Schools and Grade Schools almost monthly. "Are you for Race uplift—if you are join this Order and help to make a place for your boys and girls."

OCTOBER 18, 1919

GENERAL ORDERS:

To the National Grand Council, Most Excellent Queens, subordinate officers and members, it is with great joy and a heart filled with gratitude that I have the honor to inform you that the National Grand Council at its session in Indianapolis, Indiana the week of September 1st, chose your humble servant as Major General of the Uniform Rank of the U. S. A. I am proud of the honor conferred upon me and can only renew my one and only promise of my entire career, that is, to serve you faithfully and to work to keep our army in the front rank that it may be the peer of all Uniform Departments, but I can only do this by the help of the Almighty Supreme Ruler and the undivided support of the entire Daughters and Knights of the family. We have come this far, let us press forward, onward and upward. I have done a deal of construction work in completing my staff of which I have a very efficient corps of officers and also organized the first regiment of Missouri, three battalions or twelve companies strong. I especially request that every council and its officers get busy and organize either a Knights or a Daughters company. For further information, write the Major General and he will be delighted to serve you at any and all times. Yours very respectfully

Favors Union Of Negro Workers
(Continued From Page 11)

by delays and waste of energy in their efforts to keep other men down. While people not only have their organization but they have audiences to whom they can voice protests against the present social order and they have means of publicity to reach the powers of government and public opinion through which these protests may be made.
Negroes have neither the sympathetic hearing of the audience nor ready access to the journals of our land and are therefore working on their problems under a serious handicap.
The Negro does not protest, however, but in a silent unobtrusive manner, aided by nature which through the law of compensation is rolling up a great debt which the community as a whole must at sometime pay.
When a group as a whole is forced to live in the least desirable sections of a city, is forced to accept the poorest paid jobs, is not encouraged to purchase their own homes—one of the surest ways to develop thrift and integrity—moral and health standards among them are necessarily lowered, endangering as well the health and morals of the more favored group.

The energy and pep of the American soldier is the wonder of the world. Sugar energy is the reason. The sugar fed soldier was healthier, harder, and braver.

WHISTLE
—the pep of pure sugar and fruit in bottles

is America's best liked soft drink because every bottle contains sugar energy in a liquid form that the system takes up quickly and naturally.
